

April 16, 2019

Dear Yan Wenning,

It gives me great pleasure to invite you to participate in the 2019 ISEC Faculty Instruction Design Program from July 14, 2019 through August 4, 2019, to be held at the University of Montana, USA. This is a three week intensive experience focusing on Instructional Design, Assessment and Teaching Strategies, and critical thinking. Participants will explore the theory and practice of teaching and studying at an American university and enjoy weekend excursions to academically pertinent local cultural attractions. The program is designed to share and develop skills in higher education pedagogy/andragogy with an emphasis on scholarship. This program is made possible through a partnership between ISEC and the University of Montana and will require you to obtain a B visa. We look forward to seeing you and working with you at the University of Montana this summer.

Sincerely,

Dr. John Matt, Chair
Department of Educational Leadership
The University of Montana
