April 4th 2024

Associate Professor Wang Huisong
Dezhou University
No. 566 University West Road, Dezhou City, Shandong Province,
People's Republic of China

Dear Associate Prof. Wang Huisong,

China (Shandong) - Indonesia University International Cooperation Alliance (CIUICA) was established in 2023 to promote networking and collaboration efforts in academics and research between Shandong Province, Chinese and Indonesian universities. As part of this collaboration, IPB University and Dezhou University will host **the 2nd International Seminar of CIUICA** to be held in IPB University Campus in Bogor, Indonesia **on Monday, April 22nd, 2024**. This scientific forum is expected to be an annual event, and this year's theme is ***Research and Talent Education in Smart Agriculture and Technology***.

Herewith, we cordially invite you to attend this International Seminar, and to kindly deliver scientific presentations in the event (please refer to the tentative rundown attached). For preparation of the event and other collaboration relevant matters, we expect your travel schedule to IPB be in **April 21-24, 2024**. Also, we would like to confirm the following information as as needed for immigration purposes:

No.	Name of Speaker	Date of Birth	Gender	Position/Title
1.	Wang Huisong	June 13, 1990	Male	Associate Professor of Belgorod Institute of Food Science

We understand and appreciate that all relevant cost pertaining to this event will be covered by Dezhou University. We look forward to welcoming you in IPB.

For inquiries, please contact Dr. Fitriya Nur Annisa Dewi, Deputy Director for International Collaboration and Networking (Tel: +62-811-1131-300/Email: fitriyanur@apps.ipb.ac.id)

Yours sincerely,

Dr. Eva Anggraini
Director of Global Connectivity, IPB University
